## Serving Our Kids Foundation

Hungry kids don't dream of the future. They dream of food.

We Need Your Help

### We're feeding their dreams.

Giving back to our community is a large part of who we are at Diazo. As we grow, it is a priority that our local impact grows. Diazo serves several charities we have the honor of supporting. This quarter I am highlighting Serving Our Kids Foundation.

I have had the privilege of working alongside the Serving Our Kids team and their efforts in many ways over the last ten years – personal donor, volunteer, long-time company sponsor, and as a former board member in 2023/2024.

Nearly 1 in 5 kids in Clark County alone are food insecure. That means every single day, more than 100,000 kids in our community do not get enough to eat. By keeping kids fed all week long, Serving Our Kids affords children the freedom to dream of the future instead of dreaming of food – in doing so, they are empowering the next generation of leaders in our community.
